MUMBAI INDIANS

Franchise History

The Board of Control for Cricket in India (BCCI) announced in September 2007 the establishment of the Indian Premier League, a Twenty20 competition to be started in 2008. In January 2008, the BCCI unveiled the owners of eight city-based franchises. The Mumbai franchise was sold to the Reliance Industries Ltd (RIL) for \$111.9 million, making it the most expensive team to be sold in the league. RIL, owned by Mukesh Ambani acquired the rights to the franchise for a period of 10 years. The franchise was eventually named "Mumbai Indians".

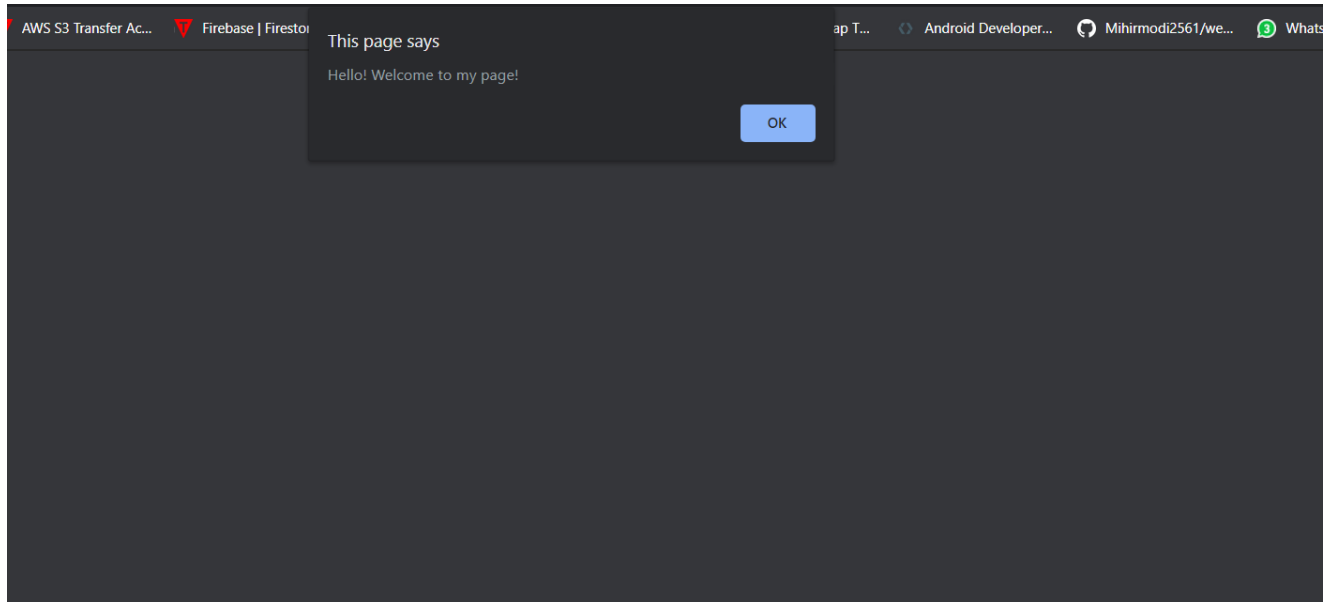

Mumbai Indians is the most successful team in the IPL. They won the 2011 Champions League Twenty20 after beating Royal Challengers Bangalore by 31 runs in the final. The team won the double by winning its first IPL title, in 2013, by defeating Chennai Super Kings by 23 runs in the final, and then defeated the Rajasthan Royals by 33 runs to win its second Champions League Twenty20 title later that year. On 21 May 2017, they won their third IPL title by defeating the Rising Pune Supergiant by 1 run in a thrilling final, thus becoming the first team to win three IPL titles. While playing the tournament, they won their 100th T20, becoming the first team to do so. In 2019, they repeated the same feat as they won a record breaking fourth IPL title, by beating CSK by just 1 run on 12th May, 2019 in IPL Final.

Home Ground

The Mumbai Indians played home games at the DY Patil Stadium in Navi Mumbai for the first two IPL seasons. In the third season, in 2010, they played all seven home games at the Brabourne Stadium while the Wankhede Stadium underwent renovation to host group matches and the final of the 2011 ICC Cricket World Cup. Mumbai Indians won six out of the seven matches at the Brabourne Stadium that season. Mumbai Indians now play their home games at Wankhede Stadium in Mumbai. The stadium is named after former BCCI President S. K. Wankhede. The stadium is owned by the Mumbai Cricket Association and has a seating capacity of around 45,000.
